

FIELD HISTORY FORM

A "Field History Form" should be maintained for every farm that you manage (organic, transitional, and conventional).
This form (documenting the last 3 years of rotational production), should accompany your Organic Crop Production System Plan or Update.

Farm/Site Name					Code: O=Organic; T=Transition/Conversion to Organic; C=Conventional										
Field Number				Field Acres				Total Acres in Farm							
Present Year 200				Previous Year 200				2nd Previous Year 200				3rd Previous Year 200			
Planting Date	Crop Variety/Planting Rate			Planting Date	Crop Variety/Planting Rate			Planting Date	Crop Variety/Planting Rate			Planting Date	Crop Variety/Planting Rate		
Code				Code				Code				Code			
Dates	Fertility Inputs			Dates	Fertility Inputs			Dates	Fertility Inputs			Dates	Fertility Inputs		
Dates	Cultivation Practices			Dates	Cultivation Practices			Dates	Cultivation Practices			Dates	Cultivation Practices		
Harvest Dates	Yield	Storage Bin	Lot Number	Harvest Dates	Yield	Storage Bin	Lot Number	Harvest Dates	Yield	Storage Bin	Lot Number	Harvest Dates	Yield	Storage Bin	Lot Number
